

# NORTHERN LAKES JUNIOR RUGBY LEAGUE FOOTBALL CLUB

## About Us ...

- We are a medium size club located in Lake Munmorah (opposite Woolworths) at the northern end on the NSW central coast.
- Our club competes in Junior, Senior Rugby League & Ladies League tag competitions.
- We cater for Under 6 years old to Under 18's.
- The club survives each year without financial backing by a traditional leagues club.
- Our Club has a lot of potential and the committee is focused to expand on that potential and grow our club into a great success.

### Our 2018 Club and Team Sponsors

We believe sponsorship is about building partnerships with businesses and organisations within our local community. In return for the affordable financial payment from our sponsors in support of our club, we work to provide recognition of the support provided by promoting the products and services our sponsors offer within our club.

We acknowledge our sponsors via Facebook and our website. Our Facebook page is updated on a regular basis and we provide links to our sponsors websites or Facebook pages.

We can also offer advertisement of specials or discounts offered back to our Warriors community.
